

Send The responses to the below questions along with all other binding subjectivity documents to: submissions.idealam@wichert.com

ADDITIONAL NEW BUSINESS SUPPLEMENTAL QUESTIONS REQUIRED FOR BINDING

Producer: IDEAL A&M, A Division of Wichert Insurance

Date Quoted:

Agent: Sabrina Gingrich

Insured: _____

Sub- Producer: _____

Type of Coverage: Contractors Equipment Evolution

Harvesting equipment information required prior to binding (subject to underwriting review and approval):

1. Does the equipment include fire suppression equipment installed by a manufacturer? If so, what system?

2. If there is no fire suppression equipment installed by a manufacturer, then what type of fire extinguisher is kept in the cab at all times (i.e. 10 lb ABC extinguisher)?

3. What type of fire extinguisher is kept at ground level on the equipment (i.e. 20 lb ABC extinguisher)?

4. What is the cool-down period that the insured utilizes after each use?

5. What are the routine cleaning procedures? i.e. Row-unit cabinets, under the engine compartment, conveyor belt, etc?

6. What are the procedures for operating in wind conditions?

7. What are the safety procedures in case of a fire?

8. Where is the machine stored when not in use?

These are all subject to underwriting review and approval and are subject to quote change or retraction.
